Management performance

Current period	July 2026	Annualised indicator
Revenue	\$214,000	\$2,568,000
Operating expenses	\$174,000	\$2,088,000
Normalised EBITDA	\$40,000	\$480,000
Cash at bank	\$348,000	Not applicable
Trade receivables	\$191,000	Not applicable

One month of the new financial year is not sufficient to establish a full-year result. The annualised column is a simple prototype extrapolation and is not a forecast.
