

Draft Property Occupancy Plan

18 Riverstone Road, West End QLD 4101 | Draft dated 1 August 2026

Proposed occupancy

Area	Approx. share	Proposed occupant	Status
Clinic reception and treatment rooms	80%	Harbourview Physio & Sports Clinic	Owner occupation
Imaging suite	20%	River City Radiology Pty Ltd (fictional)	Proposed third-party tenant

Outstanding clarification

A five-year lease is being discussed with River City Radiology. Heads of agreement have been requested but are not available. No proposed rental income should be included in serviceability until it is verified, and lender treatment of third-party occupancy requires confirmation.
